

Jin Seong

9115jin@gmail.com — github.com/username — Google Scholar

Research Interests

Computer Vision, Large Language Models, Vision-Language Reasoning

Education

KAIST, M.S. in Artificial Intelligence	2023–2025
Seoul National University, B.S. in Computer Science	2019–2023

Publications

- Seong, J. et al. “Multimodal Alignment for Efficient Vision-Language Reasoning.” *CVPR*, 2025.
- Seong, J. et al. “Efficient Prompting Strategies for LLMs.” *NeurIPS*, 2024.

Experience

Research Intern, DeepMind	2024
Research Assistant, KAIST Vision Lab	2023–present

Skills

Python, PyTorch, CUDA, LLM fine-tuning, Paper Writing
